Great News Stories

Thank You

A huge thank you to Eric and Anne Godfrey of Dalmeny who have kindly donated a wonderfully large aquarium to go in our foyer area. This aquarium will be filled with fish over the next week and we are sure everyone who visits our office area will enjoy this wonderful feature. The generosity of our community is overwhelming and we are grateful for this wonderful donation.

Attention: Year 5 Parents - Selective High School

If your child is in Year 5 and you are thinking of them gaining placement in a Selective High School in 2017 you need to begin the process now. An information book is available from the school about the process. Next year will be the first year that the Virtual Selective High School will operate out of Moruya High School and is called Aurora High School. This allows your child through video conferencing and use of technology to access the virtual high school as well as interact with classes locally and live at home. Selective High Schools are an opportunity for students who are high achieving academically gifted students to gain specialised support and learning. The process includes an application, supporting documentation from the school and a placement test in March 2016. Applications are now open and will close on the 16th November. If you are unsure please talk with myself or the class teacher about options and opportunities.

Grandparents’ Day Celebrations

Last week on Friday at Bodalla Public School we held Grandparents’ Day. Grandparents were invited to watch the children perform and were able to visit classrooms and see all their work. We also served biscuits, tea and cakes. The school was happy to invite them in and show them around our beautiful school. The Grandparents enjoyed looking at the children’s work and also enjoyed performances in the hall. Everyone enjoyed the day and left with a smile.

By Patrick and Sebastian - Year 5/6

On Friday, 6th November, it was Grandparents’ Day. Many of our grandparents came. First we went to the hall. Then they came to the classroom to see our work and spend some time with their grandchildren. We got to show them around the school. Shaq and I showed Aunty Hazel around the garden and the greenhouse. Mrs Houston rang the bell to go into the hall. Each class did a different item. We did an exercise, 5/6 did a poem, 1/2/3 sang a song and K/1 did sign language. After that we had morning tea for about 15 minutes. Then the grandparents left. Everyone had a great day.

Year 6 Visits Uni

On Thursday 5th November Year 6 students went off to Batemans Bay University of Wollongong Campus where we participated in some activities. We did sport including basketball and dodge ball. We also did a Science class where we made slime and last of all we did an engineering class where we had 20 minutes to create a sturdy model of a building or a tower that stood up on its own. It was a very fun day and we all enjoyed it very much.

Change of Routine

Thank you to those parents who are now signing their child in of a morning when arriving late. Your assistance with this school requirement is appreciated. We would also like parents to send a note along when there is a change of routine. When afternoon travel plans are changed, for example if you decide to pick your child up rather than have him/her catch a bus we would appreciate a note explaining this change. This helps us make sure your child gets home safely and that there are no tears or stress for your child. Thank you for your help with these matters.
