From the Principal

Wonderful Work

As we come to the end of another term I would like to congratulate everyone on the wonderful work achieved this term. To all the students, you have made amazing growth in your learning and have shown a positive attitude at all times, well done.

To the staff at Bodalla Public School your commitment to the school and students is amazing and inspiring. Thank you to Glenda Wood for your wonderful work this term making sure our students are supported with their learning and the wonderful work you are doing with our Kindy Start program. Thank you Kim Campbell for the awesome work you are doing in our vegetable garden, it is looking great and we can’t wait to use the vegetables in our canteen. Thank you to Cassandra Fitzgerald for your amazing work with Merinda Hurren in the singing program that has been happening in your classroom, we can’t wait to have it throughout the school. Thank you to Sue Parry for the wonderful art program you have been running with our students every Tuesday and the great nutrition program you have been doing with 5/6 Yabbies. Thank you to Sharan Houston for the wonderful sports organisation you have done this term, beginning with the Athletics Carnival and finishing with a great school sport program. Thank you to Michelle Garcia for your amazing music program, including choir, drumming and band with the year 6’s. Thank you to Susan Knight for a great Bookweek and the extra time you have put in making sure our school is ready for the new Library operating system. Thank you again to our School Learning Support Officers; Deb, Suzie, Michelle, our Office ladies; Debbie and Trish, and our wonderful General Assistant John.

We have an amazing team at Bodalla Public School who are supported every week by our parent and community volunteers.

You all make a difference in the lives of our students and we thank you.

Premier’s Spelling

Good luck to our students who are representing us today at the Premiers Spelling Competition. Alaina, Max, Harrison and Jordan we are very proud of you and your achievement with spelling.

School Swimming

Our school swimming program will be happening early next term and notes have been handed out to our students. This program is aimed specifically at those students who cannot confidently swim 25 metres. If you child is in Year 2-6 and cannot swim 25 metres then this program is for you. It is important that all our children learn to swim and are confident in the water.
If your child has not received a note and you think they need to participate in the program please contact the class teacher as soon as possible. The school has subsidised the cost of this program but assistance is available.

Sing-Me-A-Rainbow

Last Friday our whole school attended the Narooma Public School performance. It was a wonderful performance and enjoyed by all students. It was exciting to take the whole school on an outing. Not a child at school that day missed out on this experience and I would like to thank all our parents and carers for supporting not only our school but Narooma Public School and Public Education as a whole.

Earn and Learn

As you know, our school has been participating in the Woolworths Earn & Learn program. The program has now finished for this year, so a big thanks to everyone who supported our school. We’re now at the important stage of the program where the Sticker Sheets are collected and lodged as our Earn & Learn claim. We will then be able to get new educational equipment for our school. The more we collect, the more we can redeem. So this week, please send in your Woolworths Earn & Learn Sticker Sheets and any loose Earn & Learn stickers you may have. Remember to check your handbag, the car glove box or they maybe stuck on the fridge. Every little bit helps. Thanks again for all your support! We currently have over 24,000 points and we will be finalising our points on Friday. Every point/sticker you send in makes a difference, so have a last look around you home, in your handbag, in the car for those final stickers.
