SAS Staff Recognition Week

This week we are recognising those people in our school who often are unseen but make a huge difference in what we do and how we do it. Without these people our school would not run as effectively and efficiently as it does. These people have a great impact on our students and their success with learning and their wellbeing.

Firstly I would like to recognise the awesome work done by Debbie McGann, in the front office. She is the backbone to our school and ensures that everyday runs smoothly, professionally and efficiently. Her contribution to our school cannot be measured but we greatly appreciate the work she does and the time she puts in above and beyond the call of duty.

Secondly I would like to recognise the work of our General Assistant John Morrow. Without John our grounds would not be the beautiful, wonderful place that they are. He spends a great deal of time working on our grounds, both within his hours and outside his hours. He takes great pride in our school and we thank him for the work that he does.

I would also like to recognise the work done by our School Learning Support Officers, Michelle Robinson, Susie Coleman and Deb Norris. Their work within the classroom and outside in the playground ensure that all our students are supported with their learning. They are always a friendly face for students to go to and I thank them for the care and consideration that they show all students.

I would also like to recognise our other office lady, Trish Lawrence, who always arrives with a smile and works tirelessly to support Debbie in the front office.

We are lucky to have this wonderful team working at Bodalla Public School and I encourage everyone this week to acknowledge their contribution to our school and thank them for the wonderful job they do each and every day.

Kindergarten Parent Orientation

Today we had our Kindergarten Parent Orientation morning. It was wonderful to meet the parents of our newest students and begin the journey together in their child’s education. Lots of great discussion was had and we welcome all our new parents and their children to our beautiful school. We are still taking enrolments for Kindergarten for 2016, so if you missed today it is not too late and we would love to chat with you and show you our great school and what can be achieved with a partnership in education between you, your child and us.

All enquiries should be made to the front office and we are very happy to show you our school and the wonderful experiences and environment we have for your child’s learning.

School Photos

School photos will be happening tomorrow. To help with the smooth running of tomorrow’s photo shoot we ask that you assist us by ensuring that your child comes in full school uniform so that our photos look smart and we show Bodalla Public School pride at its best. Envelopes were sent home several weeks ago but there as still some spares for those still needing to order.
Literacy/Numeracy Week

It is Literacy/Numeracy Week. This is a time when we celebrate our student achievements in Literacy and Numeracy. Parents and families can celebrate with us by encouraging your child to do their homework and sitting with them while they do it. Also share a book, a child is never too old to have a story read to them. Literacy and Numeracy are in everything we do, from cooking to doing homework and even in viewing a TV program and discussing it. Please ask your child about the exciting things they are doing and learning this week at school. Remember our doors are always open and you are welcome to come and visit our classrooms.

Earn and Learn

Thank you to everyone who has been bringing in their stickers. Our stickers numbers have swelled yet again, we have tallied what we have at school at the moment and the total is 6,666. This is an awesome effort and does not include stickers that have been dropped in supermarket boxes. These will be collected soon and tallied to keep us on track for achieving our highest total yet. Thank you for supporting our school through this initiative by Woolworths. Staff and students are starting to get excited about what will be able to order with our stickers.

Quote of the Day:
“You don’t have to be like anyone else. You just need to learn more about your own creative self and start blooming.” — Deborah Day
